

THE LUNG LAB

LUTHER LUNGS ON TOUR

Professor Luther Lungs has been invited to Madrid to give a lecture on how to fight asthma triggers. Here are some of the decisions he'll be faced with during his trip. Choose the correct answers, remembering at all times that the professor himself has asthma.

- 1. When Luther packs his suitcase for his trip to Europe, what does he pack first?**
 - a) his medicine
 - b) his battered old radio
 - c) a 25-year-old copy of 'The Best Flamenco Bars in Spain'
- 2. Where does Luther kill time while waiting for his plane at the airport?**
 - a) with all the smokers in the airport pub
 - b) in the no-smoking waiting zone
 - c) on the runway, next to a Jumbo Jet
- 3. What is the first thing Luther buys when he arrives in the Spanish capital?**
 - a) a souvenir donkey
 - b) four el Big Macs and three el Whoppers and chips
 - c) a map that shows him where all the chemists and hospitals are, just in case he loses his medicine
- 4. What is the first thing Luther does when he arrives at his hotel?**
 - a) asks the manager if the TV in his room gets English stations
 - b) asks the manager if it's possible to have a room without carpets and, if possible, a non-smoking room
 - c) asks the manager if he knows where the nearest bullring is
- 5. When Luther goes out to meet friends, what does he do?**
 - a) sits worrying about his asthma all night because he forgot his inhaler
 - b) gets breathless because he is sitting too close to the flowers in the garden that trigger his asthma
 - c) has a great time knowing he has his inhaler and knows what to do if his asthma gets bad

LUTHER LUNGS ON TOUR

6. After a good night's sleep, Luther is coughing when he wakes up. Does he?
- a) go out onto the balcony to see what the traffic is like
 - b) eat some fresh fruit and take his morning medicine
 - c) ring the airport and book a plane back to England
7. It's a bit cold when Luther leaves the warm hotel, so what does he do?
- a) pulls a woolly scarf over his face to warm up the air before breathing it in
 - b) stops at the first café and drinks six cups of hot chocolate
 - c) goes back upstairs and gets back into bed
8. What is the first thing Luther does when he arrives at the conference hall?
- a) asks all the Nobel Prize winners for their autographs
 - b) eats all the free cake
 - c) tells the organisers that he has asthma himself, just to be on the safe side
9. What does Luther do after the audience clap and cheer his speech?
- a) takes his shirt off and run around the conference hall waving it around his head
 - b) smokes a cigar to celebrate
 - c) thanks the audience for their applause, and remind them that lots of children in Spain have asthma, as well, so to keep up the good work
10. Where does Luther go after the conference finishes?
- a) shopping for Spanish books about asthma to help his research
 - b) to a smoky pub to watch the football
 - c) back to the hotel to eat the chocolate in his fridge
